

County Common Entry Point (CEP)
Revised April, 2014

State Common Entry Point – Minnesota Adult Abuse Reporting System –
(844) 880-1574

The Minnesota Department of Human Services has a central system for reporting the suspected maltreatment of vulnerable adults. This central system is available 24 hours per day to take calls from mandated and voluntary reporters of suspected maltreatment of vulnerable adults. The system immediately notifies the county agency responsible when the vulnerable adult needs immediate adult protective services. It also immediately notifies a law enforcement agency for any report of suspected maltreatment in which there is reason to believe a crime has been committed. Finally, it refers reports of suspected maltreatment to the lead investigative agency (LIA), responsible for the report.

County Common Entry Point (CEP)

Revised April, 2014

A CEP is the county unit responsible for receiving oral reports of suspected maltreatment – physical, mental, emotional or sexual abuse; neglect (caregiver or self); or financial exploitation of vulnerable adults.
